EXPERIENCE

DEVSNEST | Team Leader   Remote | Aug 2021 – Dec 2021

- Learned and worked on web development technologies and framework to build projects like Meme Generator App and Weather App. Developed a proper understanding of authentication, accessing database and performed CRUD operations using restful APIs. Moreover I being the team leader managed my team taking daily scrum and developed good communication and management skills.

CODING NINJAS | Ninja Entrepreneur   Remote | April 2021 – Aug 2021

- Worked as a Campus Ambassador for Coding Ninjas to refine and showcase my entrepreneurship skills. It made it understand how to manage and communicate with people.

SKILLS

Programming Languages	Java, C/C++, HTML, CSS, Javascript
